

Dear Home Owner/Tenant,

We have been employed by your management company to perform a bed bug inspection in your home/unit using our canine scent detection team. Please read and complete the information below. Leave the completed form attached to the back of the door or on the floor inside the door. If no form is available at time of inspection, service will not be done.

ADDRESS & UNIT #: _____

PESTICIDES/CHEMICAL(S) SPRAYED PAST 30 DAYS YES _____ NO _____

NAME OF COMPANY TREATED BY: _____

CHEMICAL(S) USED: _____

Please review the checklist below to confirm that you are aware of the procedure involved in an inspection by our canine scent detection team:

- The bed bug inspector will first assess the area to be inspected
- Tenants and pets must be out of the home/unit during the inspection
- Remove any glue boards, snap traps and/or rodent bait stations prior to inspection
- Toys of any sort, pet food, water or sharp objects must be inaccessible to the canine team
- Air conditioners, heaters, and ceiling fans must be turned off 30 minutes prior to inspection
- Any clothing or objects that are bagged, open the bags just before inspection
- All windows need to be shut at time of inspection
- There is to be no smoking within the home 2 hours prior to the inspection
- All air fresheners must be turned off 2 hours prior to the inspection
- Absolutely NO pesticides (i.e. Raid or Doktor Doom) can have been used in the unit within 30 days of the inspection

****If a chemical has been used in the unit and the dog handler is not informed, the tenant will be held liable for any damages to, or vet bills for, our canine.**

Will you allow the canine to climb on furniture, if necessary? Yes No

Owner / Tenant Signature: _____ Date: _____
